

PUPPY PARTIES

Have you recently taken possession of a new four-legged friend of the canine variety? If so then you might be interested in coming along to one of our Puppy Parties.

Held at regular intervals throughout the year, owners and their puppies are invited to their surgery for a friendly meeting. Run by our nurses, the session includes valuable advice on the following:

- ❖ neutering,
- ❖ micro-chipping,
- ❖ vaccinations,
- ❖ worming,
- ❖ insurance,
- ❖ flea treatments,
- ❖ diet,
- ❖ weight,
- ❖ even recommendations on safe toys!

There will be demonstrations on how to examine your puppy so that future veterinary examinations will be less stressful.

Lorna Fleming, a local dog trainer, is normally present. She is there to give advice on early training techniques for your puppy and will help supervise the 'free play time' when the puppies get to meet each other!

Each puppy goes home with a free party bag full of goodies!
